

Minnesota Forage and Grassland Council

invites you to JOIN NOW for ACCESS to the most up-to-date forage information

compiled EXCLUSIVE for MFGC Members.

TOGETHER we will keep our forages and grasslands thriving!

2004 Membership Benefits & Services:

- Access to valuable information through the *Forage Connection*, MFGC's quarterly magazine. The magazine includes featured articles and photographs in the areas of commercial hay, equine, beef, dairy, grazers, forage research and equipment. Each issue also features interviews with leading forage producers, which, according to Michael Reese, Vice President of MFGC and fellow producer, "are packed with great producer-tested ideas."
- Access to the latest forage management information through field days, workshops, conferences and Internet access to university forage researchers, industry representatives and leading ag producers.
- Access to Quality-Tested Hay Auctions, the Scissors Cut/PEAQ Program and Forage Testing, as well as the newest, most exciting innovations in the forage industry.
- Access to *Clippings*, MFGC's online newsletter. *Clippings* contains breaking news pertaining to the forage industry as well as current and up-and-coming events offered to members. Our staff works to compile timely information helpful to members and sends it out immediately via email. Don't miss out... in order to receive *Clippings*, we need your email address on the form below.
