Creating a Self-Registration Account in ULearn

To access training in ULearn, you first need to create an account.

1. Copy and paste the following URL into a new browser window, then press <Enter>:
2. The registration page displays.

3. Enter your first name and last name in the First Name and Last Name fields.
4. Enter your University of Minnesota email address (ending in @umn.edu) in the Email Address field. If you do not have a University of Minnesota email address, enter another email address.
5. The Username field automatically populates as your email address.
6. Following the password creation instructions at the bottom of the screen, enter a password in the Password field and confirm it. **Note:** Please remember your username and password that you just set up for logging into ULearn in the future.
7. Click <Login>.
8. The ULearn welcome page appears and you may now search for training using the Search field at the top right corner of the page.
9. **Important:** Once your account is created, you will access ULearn via the following URL:
   https://umn.csod.com
