

## **STUDENT REPRESENTATIVES TO THE BOARD OF REGENTS HISTORY OF MEMBERSHIP**

The following is a listing of all students who have served as Student Representatives to the Board of Regents. This listing is compiled of information from lists on file in the Board of Regents' Office and the minutes of Regents' meetings since 1971. The number of Student Representatives to the Board of Regents has varied since the first Student Representatives were elected. The first Student Representatives were elected on a calendar year basis, but about 1986 the process changed to coincide with the academic calendar year of July - June. In order to be consistent, the Student Representatives are listed on the academic calendar year. When possible, the chairs and campus representation designations are noted.
