Make a difference for CSBU women!

What Does Civil Service Bargaining Unit Women's Action Network (CSBU-WAN) Do?

The Civil Service and Bargaining Unit Women's Action Network (CSBU-WAN) provides leadership resources to improve and enrich the professional environment for CSBU women at the University of Minnesota. We support this mission by advocating for CSBU women's concerns, promoting professional and personal development and providing networking opportunities.

- **Our Network consists of the following Officers:** Chair, Chair-elect, Past Chair, Scribe, Marketing & Events Chair, Membership Chair, and Respect Chair. Eventually the CSBU-WAN plan to include a representative from each college.
- **Become a member** – Join a Committee: (Marketing & Events, Membership, and Respect.) Committees meet once a month, usually from 11:30 to 1:00. Occasionally an additional meeting may be necessary, but most often members carry out their business by phone or e-mail. Committee members serve a minimum of two years.
