**Importance:** High

We need to be very careful here. Everyone should pay particular attention to the distinctions between allegations of abuse and the use of techniques which fall outside of FBI/DOJ training and policy. As I stated in my email yesterday, I am not aware of any credible allegations of abuse by anyone in GTMO.

Our Behavioral Assessment Unit (BAU) disagreed with the use of specific techniques in the case of [redacted] as they opined that the techniques would not be successful and they could produce unreliable results. BAU did not make any allegations of abuse that I am aware of.

I can think of two specific examples.....you may want to talk to BAU about [redacted] and [redacted] in GTMO.

Once again, I would refer you to my comments below. FBI disapproval of DOD techniques and alleging abuse of detainees are two vastly different issues.

FYI - the Navy IG is arriving in GTMO today to conduct an independent inquiry of the operation here.
